Gentlemen:

Reference is made to your letter of August 28, 1958, DPS-3683, wherein you disallow payment of \$409.37 on Invoice No. 17330 stating that the related transportation appeared to be for the personal benefit of [Redacted]

STAT

We wish to advise that [Redacted] was originally scheduled for an overseas assignment. However, while in California waiting for transportation he was reassigned to the "Ranch" on a permanent basis and therefore returned to Pleasantville for his automobile.

STAT

We feel that we were obliged to allow [Redacted] to return for his automobile, which is almost an absolute necessity on domestic assignments, and consequently, that this charge should be an allowable item of cost under subject contract.

STAT

As a further note, our records indicate that the application of Invoice Numbers 20096, 20098, 20099 and Credit Numbers 2884, 2885 and 2886 to Contract HF-6524 balance out to a final contract price of [Redacted]

STAT

This price is predicated on - a) Effective date of 16 March 1957.

b) Provision for three (3) men instead of two (2)

to permit reimbursement for the services of [Redacted]

c) Acceptance of [Redacted] trip outlined above,

as allowable item of cost.

STAT
SIAI

This price does not include \$22.60 for tolls credited on General Precision Laboratory Credit No. 2885.

Your signatory concurrence of this final contract price is requested.

Very truly yours,
